

Wondering what to do with jewelry you no longer love? Did you get granny's wedding ring and you can't figure out how to actually wear it? Hoping to learn more about collecting? **Crazy About Jewelry! \$16.95** by jewelry appraiser **Susan Eisen**, provides the answers you are seeking. Although the information will seem elementary to real jewelry collectors, her suggestions are mostly are common-sense. Still, you are bound to find at least one or two ideas you haven't thought of before that will help you to enjoy the jewelry you have, and make wise choices in the future. **Ms. Eisen's** tips on organizing, cleaning, storing, and taking care of your collection are particularly helpful, especially if you have lots and lots of jewelry. **Ms. Eisen** has her own web site/blog where you can ask questions, too. Costume or real, buying or wishing to sell stuff, the book is worth a read (and we dig the little pink "jewel" on the cover).
